OPEN FOR STUDENTS IN CLASSES

8, 9 & 10

◆ About the Program

iLearn IAS Junior is a foundation-building program crafted for school students in **classes 8, 9 and 10**. It introduces children to the values, concepts, and skills needed for a future in public service — through engaging classes, simplified UPSC concepts, and skill oriented activities. It's more than a class — it's a space where children grow in confidence, curiosity, and character.

◆ Why Join iLearn IAS Junior?

-  Learn age-appropriate concepts from History, Polity, Geography, Economics etc
 -  Build general awareness and critical thinking from a young age
 -  Get guided by serving IAS/IPS officers, trained iLearn IAS mentors, expert teachers
 -  Develop life skills like public speaking, leadership, presentation & teamwork
 -  Build early clarity about the Civil Services journey
-

◆ Program Highlights

- **Duration:** 10 months till June 2026
- **Delivery Mode:** Online (**LIVE + REC**)
- **Daily 15-minute Newspaper Analysis** [**REC**]

Saturdays	Sundays
2-hour General Studies [GS] Session - Content aligned with UPSC foundation themes [LIVE + REC]	"Think like a Civil Servant" - 2-hour LIVE case study-solving sessions (moderated by serving IAS/IPS officers) "QUIZZYBEE" - weekly mixed-format tests (MCQ + descriptive), Skill Development Sessions on Debate/Public Speaking, Communicative English etc

- **1-on-1 Personalized Mentorship** sessions for students along with parents' participation and regular progress tracking (thrice a month)
-

◆ Learning Outcomes

- Nurturing little minds in **creative problem solving** & **real-life decision making**, learning from top IAS/IPS officers of the nation
 - Gain general understanding in core subjects like Polity, History, Geography, Economy, etc. through **structured learning sessions**.
 - Receive personalized mentorship with regular 1-on-1 sessions and parent involvement to **guide academic and mindset growth**.
 - Develop a daily **newspaper reading routine** through 15-minute news analysis, helping the child to be an **active learner**.
 - **Enhance retention** and engagement through weekly 'QuizzzyBee' mixed-format tests with MCQs and descriptive questions.
-
